You're Still The One by Shania Twain

(When I first saw you, I saw love.		(You're still the one)
And the (1) time you (2)	_ me, I	You're (8) the one that I love
felt love.		The only one I dream of
And after all this time, you're still the one I love.)		You're still the one I kiss good night
Looks like we made it		Ain't nothin' better
Look how far we've come my baby		We beat the odds together
We (3) the long way		I'm glad we didn't listen
We (5) we'd get there someday		Look at what we would be missin'
Bridge:		Repeat Bridge
They said, "I bet they'll (6)	make	Chorus 2x
it"		I'm so glad we (9) it
But just look at us holding on		Look how far we've come my baby
We're still together (7) going strong		
Chorus:		
(You're still the one)		
You're still the one I run to		
The one that I belong to
