You're Still The One by Shania Twain

(When I first saw you, I saw love.	(You're still the one)
And the (1) (2) you	You're (17) the one (18) I love
(3) me, I (4) love.	The only one I dream of
And (5) all this time, you're still the one I love.)	You're still the one I kiss good night
Looks like we made it	Ain't nothin' better
Look how far we've (6) my baby	We (19) the odds together
We (7) (8) the (9) way	I'm glad we didn't listen
We (10) we'd get (11) someday	Look at what we (20) be missin'
Bridge:	Repeat Bridge
They said, "I bet they'll never make it"	Chorus 2x
But (12) look at us (13) on	I'm so (21) we made it
We're (14) together still going strong	Look how far we've come my baby
Chorus:	
(You're still the one)	
You're (15) the one I run to	
The one that I (16) to	
You're the one I want for life
