## New Kid In Town by Eagles

Everybody loves him, don't they?

## Fill in the gaps

There's talk on the street, it sounds so familiar	And he's holding her and you're still around, oh my my
Great expectations, everybody's (1) you	There's a new kid in town
People you meet they all seem to (2) you	Just another new kid in town
Even your old friends treat you like you're	Everybody's talking 'bout the new kid in town
(3) new	Everybody's walking like the new kid in town
Johnny come lately, the new kid in town	There's a new kid in town
Everybody loves you so don't let (4) down	I don't want to hear it
You look in her eyes, the music begins to play	There's a new kid in town
Hopeless romantics, here we go again	I don't want to hear it
But after a while you're looking the other way	There's a new kid in town
It's those restless hearts that never mend	There's a new kid in town
Johnny come lately, the new kid in town	There's a new kid in town
Will she still love you when you're not around?	Everybody's talking
There's so many things you (5) have	There's a new kid in town
(6) her	People started walking
But night after night you're willing to hold her, just	There's a new kid in town
(7) her	There's a new kid in town
Tears on your shoulder	There's a new kid in town
There's (8) on the street, it's there to	
(9) you	
That it doesn't really matter which side you're on	
You're walking away and they're talking (10)	
you	
They will never forget you till somebody new comes along	
Where you been lately? There's a new kid in town
