

Fill in the gaps

I don't want this moment to ever end	With everything I won't let this go, these words are my heart
Where everything's nothing (1) you	and soul
I'll wait (2) forever just to, to see you smile	I'll (6) on to this moment you know, 'cause I'll bleed
'Cause it's true, I am nothing without you	my heart out to show
Through it all, I made my mistakes	And I won't let go
I stumble and fall, but I mean these words	In front of your eyes, it falls from the skies
I want you to know	When you don't know what you're looking to find
With everything I won't let this go, these (3) are	In (7) of your eyes, it (8) from the
my heart and soul	skies
I'll hold on to (4) moment you know, 'cause I'll	When you just (9) know what you will find (what
bleed my heart out to show	you will find)
That I won't let go	I don't want this moment to ever end
Thoughts read unspoken, forever in doubt	Where everything's nothing without you
Pieces of memories fall to the ground	I want you to know
I know what I didn't have so, I won't let this go	With (10) I won't let this go, these
'Cause it's true, I am (5) without you	words are my heart and soul
All the streets where I walked alone, with nowhere to go	I'll hold on to this moment you know, 'cause I'll bleed my heart
have come to an end	out to show
I want you to know	that I won't let go (I want you to know)
	With everything I won't let this go, these words are my soul
	I'll hold on to this moment you know, 'cause I'll bleed my heart
	out to show
