I had to escape	
The city was sticky and cruel	
Maybe I should have called you first	
But I was dying to get to you	
I was (1) (2)	I drove
The long (3) (4)	ahead, uh uh
yeah	
Could taste your sweet kisses	
Your arms (5) wide	
This fever for you	
Is (6) burning me up inside	
I drove all night to get to you	
Is that alright?	
I drove all night, crept in your room	
Woke you from your sleep	
To make love to you	
Is that alright? I (7) all night	
What in this world	
Keeps us from falling apart?	
No matter where I go, I hear	
The beating about our one heart	
I think about you	
When the night is cold and dark, uh uh ye	eah
No one can move me	
The way (8) you do	
Nothing erases this feeling	

Between me an	d you	
I (9) all night to get to you		
Is that alright?		
I drove all night,	(10)	in your room
Woke you from	your sleep	
To make love to	you	
Is that alright? I	drove all night	
I taste your swe	et kisses	
Your arms open	wide	
This fever for yo	ou	
Is just burning n	ne up inside	
I drove all night to get to you		
Is that alright?		
I drove all night,	crept in your roon	n
Is that alright? I	drove all night	
I drove all night	to get to you	
Is that alright?		
I drove all night,	crept in your room	n
Is that alright?
