Complicated by Avril Lavigne

Why'd you have to go and make things so complicated?

Fill in the gaps

Uh huh	I see the way you're actin' like you're somebody else
Life's like this	Gets me frustrated
Uh huh, uh huh	Life's (4) you
That's the way it is	You fall and you crawl and you break
'Cause life's like this	And you take what you get, and you turn it into
Uh huh, uh huh	Honestly, you promised me
That's the way it is	I'm never gonna find you fake it
Chill out, what you yellin' for?	No no no
Lay back, it's all been done before	(No no no)
And if, you could only let it be	No no
You will see	(No no no)
I like, you the way you are	No no
When we're drivin' in your car	(No no no)
And you're, talkin' to me one on one	No no
But you become	Ooh, (6) out, what you yellin' for?
Somebody else	Lay back, it's all been done before
Round everyone else	And if you could only let it be
Your watchin' your back	You will see
Like you can't relax	Somebody else
You tryin' to be cool	'Round everyone else
You look like a fool to me	Your watchin' your back
Tell me	Like you can't relax
Why'd you have to go and make things so complicated?	You tryin' to be cool
I see the way you're actin' like you're somebody else	You look like a fool to me
Gets me frustrated	Tell me
Life's like this you	Why'd you have to go and make things so complicated?
You fall and you crawl and you break	I see the way you're actin' like you're (7)
And you (1) what you get, and you turn it into	else
Honestly, you promised me	Gets me frustrated
I'm never (2) find you fake it	Life's like this, you
No no no	You fall and you crawl and you break
You (3) over unannounced	And you take what you get, and you turn it into
Dressed up, like you're somethin' else	Honestly, you promised me
Where you are ain't where it's at you see	I'm never gonna find you fake it
You're makin' me	No no
Laugh out, when you strike a pose	Why'd you have to go and (8) things so
Take off, all your preppy clothes	complicated?
You know, you're not foolin' anyone	(Yea yea)
When you become	I see the way you're actin' like you're somebody else
Somebody else	Gets me frustrated
Round everyone else	Life's like this you
Your watchin' your back	You (9) and you crawl and you break
Like you can't relax	And you take what you get, and you turn it into
You tryin' to be cool	Honestly, you promised me
You look like a fool to me	I'm (10) gonna find you fake it
Tell me	No no no
