## In My Life by The Beatles

## Fill in the gaps

There are places I remember,
all my life, though some have changed
some forever not for better,
some have gone, and some remain,
all these places have their moments,
with lovers and friends, I still can recall,
some are dead and some are living,
In My Life, I've loved them all
But of all these friends and lovers,
there is no one, compares (1) you,
and these memories lose their meaning,
when I think of love, as something new
though I know I'll never (2) affection,
for people and things, (3) (4) before
(5) I'll often stop and think about them,
In My Life, I love you more
though I know I'll never lose affection,
for people and things, that (6) before
know I'll often (7) and think about them,
In My Life, I (8) you more
In My Life, I (9) you more
