

I can fix the flat on your car

Fill in the gaps

Yeah, uh oh, uh oh, yeah	I might even be a rock star
Sometimes I walk a little faster	If you only knew the real me
In the school hallway just to get next to you	I might even be a rock star
Some days I (1) a little extra time	I'm telling you (8) we are meant to be
In the morning just to impress you	Now wouldn't it be nice if you could see
Guess you don't notice, guess you don't (2) this	That I really am a rock star
Sad, you're not (3) what you're missing	Yeah yeah, woo
On the outside shying away	Yeah I really am a rock star
On the inside dying to say	Ha, a rock star
I'm unusual, not so typical	I'm unusual, not so typical
Way too (4) to be waiting around	Way too smart to be waiting around
Tai Chi practices, snowboard champion	Tai Chi practices, snowboard champion
I can fix the flat on your car	I can fix the flat on your car
I might even be a rock star	Rockin' it wherever we are, yeah yeah
I might even be a rock star	'Cause I really am a rock star
Sometimes I wish (5) the phone rings	'Cause I really am a (9) star
That it would be you saying, "Let's hang out"	I am a rock star, whoa, yeah!
Then you confess that there's something special	Goodnight everybody!
