Fill in the gaps

Another Day In Paradise by Phil Collins

She (1) out to the man on the street	On Lord, there must be something you can say
"Sir, can you help me?	You can tell by the lines on her face
t's cold and I've nowhere to sleep	You can see that she's been there
s there somewhere you can tell me?"	Probably been moved on from every place
He walks on, doesn't look back	But she didn't fit in there
He pretends he can't hear her	Oh, think twice, it's just another day for
He starts to whistle as he crosses the street	You and me in paradise
She's embarrassed to be there	Oh, yes (6) twice, it's just another day for you
Oh, think twice, it's just another day for you	You and me in paradise
You and me in paradise	Just think about it
Oh, think twice, it's just another day for you	Just (7) about it
You and me in paradise	It's just another day for you and me in paradise
Just think about it	It's just another day for you and me in paradise
She calls out to the man on the street	It's just another day for you and me in paradise
He can see she's been crying	It's just another day for you and me in paradise
She's got blisters on the soles of her feet	It's (8) another day for you and me
She can't walk but she's trying	It's just (9) day for you and me
Oh, think twice, it's just (2) day for	It's just another day for you and me in paradise
You and me in paradise	In paradise so oh oh
Oh, yes think twice, it's just another day for you
