

## Fill in the gaps

I still hear your voice, (1) you sleep (2)	You make me rise when I fall.
to me.	Cause everytime we touch, I get this feeling.
I still feel your touch in my dreams.	And (7) we (8) I swear I
Forgive me my weakness, but I don't know why.	can fly.
Without you it's hard to survive.	Can't you feel my heart beat fast, I want this to last.
Cause everytime we touch, I get this feeling.	Need you by my side.
And everytime we kiss I swear I can fly.	Cause everytime we touch, I feel this static.
Can't you feel my heart beat fast, I want this to last.	And everytime we kiss, I reach for the sky.
Need you by my side.	Can't you hear my heart beat so
Cause everytime we touch, I (3) this static.	I can't let you go.
And everytime we kiss, I reach for the sky.	Want you in my life
Can't you (4) my (5) beat so	Cause everytime we touch, I get this feeling.
I can't let you go.	And (9) we kiss I swear I can fly.
Want you in my life.	Can't you feel my heart (10) fast, I want this to last.
Your arms are my castle, your (6) is my sky.	
They wipe away tears that I cry.	Need you by my side
The good and the bad times, we've been through them all.
