Wake up in the (1) feeling like P Diddy	DJ, blow my speakers up
(Hey, what up girl?)	Tonight, Imma fight
Put my glasses on, I'm out the door	Till we see the sunlight
I'm gonna hit this (2) (Lets go)	Tick tock, on the clock
Before I leave, brush my teeth with a bottle of Jack	But the party don't stop
Cause when I leave for the night, I ain't coming back	Woah-oh oh oh
I'm talking - (3) on our toes, toes	Woah-oh oh oh (x2)
Trying on all our clothes, clothes	DJ, you build me up
Boys (4) up our phones, phones	You (21) me down
Drop-topping, playing our favorite cds	My heart, it pounds
Pulling up to the parties	Yeah, you got me
Trying to get a (5) bit tipsy	With my hands up
Don't stop, make it pop	You got me now
DJ, blow my speakers up	You got that sound
Tonight, (6) fight	Yea, you got me
Till we see the sunlight	DJ, you build me up
Tick tock, on the clock	You (22) me down
But the party don't stop	My heart, it pounds
Woah-oh oh oh	Yeah, you got me
Woah-oh oh oh (x2)	With my hands up
Ain't got a care in world, but got plenty of beer	Put your hands up
Ain't got no money in my pocket, but I'm already here	Put your hands up
And now the dudes are (7) up	No, the party don't (23) until I (24) in
(8) they hear we got swagger	Don't stop, make it pop
But we kick em to the (9) unless they	DJ, blow my speakers up
(10) (11) (12) Jagger	Tonight, Imma fight
