

Fill in the gaps

Life is bigger	Choosing my confessions
ts bigger (1) you	Trying to keep an eye on you
And you are not me	Like a hurt lost and blinded fool
The lengths that I will go to	Oh no Ive said too much
The distance in (2) eyes	I set it up
Oh no Ive said too much	Consider this
set it up	The hint of the century
Thats me in the corner	Consider this
Thats me in the spotlight	The slip that brought me
_osing my religion	To my knees failed
Trying to keep up with you	What if all these fantasies
And I (3) know if I can do it	Come flailing around
Oh no Ive said too much	Now Ive said too much
(4) said enough	I (7) (8) I heard you laughing
(5) that I heard you laughing	I thought that I heard you sing
thought that I heard you sing	I think I thought I saw you try
think I thought I saw you try	But that was just a dream
Every whisper	That was (9) a dream
Of (6) waking hour im

- 2. your
