

## Fill in the gaps

My name is Luka	Well, if you ask that's what I'll say
I (1) on the second floor	And it's not your business anyway
I (2) from you	I (13) I'd (14) to be alone
Yes I (4) you've seen me before	With (15) broken, nothing thrown
If you hear something late at night	Just don't ask me how I am [X3]
Some kind of trouble. (5) (6) of fight	My (16) is Luka
Just don't ask me (7) it was	I live on the second floor
Just don't ask me what it was	I live (17) from you
Just don't ask me (8) it was	Yes I think you've (18) me before
I think it's (9) I'm clumsy	If you hear (19) late at night
I try not to talk too loud	Some (20) of trouble, some kind of fight
Maybe it's because I'm crazy	Just don't ask me what it was
I try not to act too proud	Just don't ask me what it was
They only hit (10) you cry	Just don't ask me (21) it was
After (11) you don't ask why	And they only hit (22) you cry
You just don't argue anymore	After that, you don't ask why
You just don't argue anymore	You just don't (23) anymore
You just don't argue anymore	You just don't argue anymore
Yes I think I'm okay	You (24) don't argue anymore
I (12) into the door again
