

Fill in the gaps

On the first part of the journey	La la la la la
I was looking at all the life	La la la la la
There were plants and birds and rocks and things	La la la la la
There was sand and hills and rings	La la la la la
The first thing I met was a fly with a buzz	After nine days I let the horse run free
And the sky (1) no clouds	'Cause the desert had turned to sea
The (2) was hot and the ground was dry	There were (7) and birds and rocks and
But the air was full of sound	things
I've been through the desert on a horse with no name	There was sand and hills and rings
It felt good to be out of the rain	The ocean is a desert with it's life underground
In the desert you can remember your name	And a perfect (8) above
'Cause there ain't no one for to give you no pain	Under the cities lies a heart made of ground
La la la la la	But the humans will give no love
La la la la la	You see I've been through the desert on a horse with no name
La la la la la	It felt (9) to be out of the rain
La la la la la	In the desert you can (10) your name
After two days in the desert sun	'Cause there ain't no one for to give you no pain
My skin began to turn red	La la la la la
After three (3) in the (4) fun	La la la la la
I was looking at a river bed	La la la la la
And the story it (5) of a river that flowed	La la la la la
Made me sad to think it was dead	
You see I've been through the desert on a horse with no name
