On the first part of the journey	La la la la la
I was looking at all the life	La la la la la
There were plants and birds and rocks and things	La la la la la
There was sand and hills and rings	La la la la la
The first thing I met was a fly (1) a buzz	After nine days I let the horse run free
And the sky with no clouds	'Cause the desert had turned to sea
The heat was hot and the ground was dry	There were plants and birds and (8) and things
But the air was full of sound	There was sand and hills and rings
I've been through the desert on a (2) with no	The ocean is a desert with it's life underground
name	And a (9) disguise above
It felt good to be out of the rain	Under the cities lies a heart made of ground
In the desert you can remember your name	But the humans will give no love
'Cause there ain't no one for to give you no pain	You see I've been (10) the desert on a
La la la la la	horse with no name
La la la la la	It felt good to be out of the rain
La la la la la	In the desert you can remember your name
La la la la la	'Cause there ain't no one for to give you no pain
After two days in the desert sun	La la la la la
My skin (3) to turn red	La la la la la
After three days in the desert fun	La la la la la
I was looking at a (4) bed	La la la la la
And the (5) it told of a river that flowed	
Made me sad to think it was dead
