

Fill in the gaps

	If you (6) see me fall.
Everything I want I have:	Boy you're so dope,
Money, notoriety, rivieras.	Your love is deadly.
I even (1) I found God	Tell me life is beautiful,
In the flash bulbs of the pretty cameras,	They'll all think I have it all.
Pretty cameras, pretty cameras.	I have nothing without you.
Am I glamorous? Tell me, am I glamorous?	All my dreams and all the lights mean
Hello? Hello?	Nothing without you.
Ca-can you hear me?	We were two kids, just tryin' to get out,
I can be your china doll	Lived on the dark side of the (7) dream.
If you wanna see me fall.	We would dance all night, play our music loud,
Boy you're so dope,	When we grew up nothing was what it seemed.
Your love is deadly.	Hello? Hello?
Tell me life is beautiful,	Ca-can you hear me?
They'll all think I have it all.	I can be your china doll
I have nothing without you.	If you wanna see me fall.
All my dreams and all the lights mean	Boy you're so dope, (so dope)
Nothing without you.	Your love is deadly.
Summertime is nice and hot,	Tell me life is beautiful,
And my life is (2) like vanilla is.	They'll all (8) I (9) it all.
Gold and silver (3) my heart	I have (10) without you.
But (4) into to my brain all these stolen	All my dreams and all the lights mean
images,	Nothing without you.
Stolen images, baby, stolen images.	[x2]
Can you picture it, baby?	All my dreams and all the lights mean
That life we could've lived?	Nothing if I can't have you.
Hello? Hello?	
Ca-can you hear me?	
I can be (5) china doll
