It was like James Dean, for sure	Say you'll remember, oh baby, say you'll remember
You so fresh to death and sick as ca-cancer	I will love you till the end of time

That love is mean, and love hurts	I told you that no matter what you did I'd be by your side
But I still remember that day we met in December, oh baby!	Cause Ima ride or die
I will love you till the end of time	Whether you fail or fly
I would wait a (2) years	Well shit, at least you tried,
Promise you'll remember that you're mine	But when you walked out that door, a piece of me died
Baby can you see through the tears?	I told you I wanted more-but that not what I had in mind
