## Born To Die by Lana Del Rey

## Fill in the gaps

Feet don't fail me now	Keep making me laugh,
Take me to the finish line	Let's go get high
All my heart, it breaks every step that I take	Road's long, we carry on
But I'm (1) that the gates,	Try to (5) fun in the meantime
They'll tell me that you're mine	Come and take a walk on the wild side
Walking through the (2) streets	Let me kiss you hard in the pouring rain
Is it by mistake or design?	You like your girls insane
I feel so alone on a friday night	Choose your last words,
Can you make it feel like home, if I tell you you're mine	This is the last time
It's like I (3) you honey	Cause you and I
Don't make me sad, don't make me cry	We were born to die
Sometimes love's not enough when the road gets tough	We were born to die
I don't know why	We were born to die
Keep making me laugh,	Come and take a walk on the wild side
Let's go get high	Let me (6) you hard in the pouring rain
Road's long, we carry on	You like your girls insane
Try to have fun in the meantime	Don't make me sad, don't make me cry
Come and take a walk on the wild side	Sometimes love's not enough when the (7) gets
Let me kiss you hard in the pouring rain	tough
You like your girls insane	I don't (8) why
Choose your last words	Keep making me laugh,
This is the last time	Let's go get high
Cause you and I, we were born to die	Road's long, we carry on
Lost but now I am found	Try to have fun in the meantime
I can see but once I was blind	Come and take a (9) on the wild side
I was so confused as a little child	Let me kiss you hard in the pouring rain
Tried to take what I could get	You like your girls insane
Scared that I couldn't find	Choose your last words
All the answers, honey	This is the last time
Don't make me sad, don't make me cry	Cause You and I
Sometimes love's not enough (4) the road gets	We were born to die
tough	We were born to die
I don't know why
