

Fill in the gaps

Shadows settle on the place, that you left.	and you caused it
Our (1) are troubled by the emptiness.	and you caused it
Destroy the middle, it's a waste of time.	and you caused it
From the (2) start to the finish line.	Well I've lost it all, I'm (6) a silouhette,
And if you're still breathing, you're the lucky ones.	A (7) face that you'll soon forget,
'Cause (3) of us are heaving through corrupted	My eyes are damp from the words you left,
lungs.	Ringing in my head, when you broke my chest.
Setting fire to our insides for fun	Ringing in my head, (8) you broke my chest.
Collecting names of the lovers that went wrong	And if you're in love, then you are the lucky one,
The lovers that went wrong.	'Cause most of us are bitter over someone.
We are the reckless,	Setting fire to our insides for fun,
We are the wild youth	To distract our hearts from ever (9) them
Chasing visions of our futures	But I'm forever (10) him.
One day we'll reveal the truth	And you caused it,
That one (4) die before he gets there.	And you caused it,
And if you're still bleeding, you're the lucky ones.	And you caused it
'Cause (5) of our feelings, they are dead and they	
are gone.	
We're setting fire to our insides for fun.	
Collecting pictures from the flood that wrecked our home,	
It was a flood that wrecked this
