

## Fill in the gaps

## If I'm James Dean, You're Audrey Hepburn by Sleeping With Sirens

Stay for tonight	They say that love is forever
If you (1) to	Your forever is all that I need
I can show you	Please (16) as long as you need
What my dreams are made of,	Can't promise that things won't be broken
as I'm (2) of your face	But I swear that I will never leave
I've been (3) for a long time	Please (17) forever with me
Such a long time	The way that we are
And I miss you there	It's the reason I stay
I can't imagine being anywhere else	As long as you're here with me
I can't imagine being anywhere else but here	I know we'll be Ok
How the hell did you (4) pick me?	The way that we are
Honestly, I could sing you a song	It's the reason I stay
But I don't think (5) can express your beauty	As long as you're here with me
It's singing to me	I (18) I'll be Ok
How the (6) did we end up like this?	They say that love is forever
You bring out the beast in me	Your forever is all that I need
I fell in love from the moment we kissed	Please stay as long as you need
Since (7) we've (8) history	Can't (19) that things won't be broken
They say that love is forever	But I swear that I will never leave
Your forever is all that I need	Please (20) forever with me
Please stay as long as you need	(I couldn't love just anyone, I was created to (21)
Can't promise (9) things won't be broken	(22) one baby)
But I swear that I (10) never leave	They say that love is forever
Please stay (11) with me	Your forever is all that I need
It goes to show, I hope that you know that you are	(I couldn't (23) just anyone, I was created to love
What my dreams are made of	(24) one girl)
Can't fall asleep, can't fall (12)	Please stay as long as you need
I lay in my bed awake, in my bed awake at night	(I couldn't love just anyone, I was created to (25)
As I dream of you	just one baby)
I'll fall in love, you'll (13) in love	Can't promise that things won't be broken
It (14) mean everything, everything to me	But I swear that I will never leave
I can't (15) being anywhere else	(I couldn't love just anyone, I was created to love just one girl)
	Please stay (26) with me
