And I'm wondering how I'll get down the stairs.	Here I am, stuck in the middle with you.
Clowns to the left of me, jokers to the right,	Well, you started out with nothing,
Here I am, stuck in the middle with you.	And you're proud that you're a self-made man.
Yes, I'm stuck in the middle with you,	And your friends they all come crawlin',
And I'm wondering what it is I should do.	Slap you on the back and say, "Please, please."

Losing control, yeah, I'm all over the place.	I got the feeling that something (9) right,
