

Fill in the gaps

A Thousand Years by Christina Perri

Heart beats fast	I have died (14) waiting for you
Colors and (1)	Darling don't be afraid, I have (15) you
How to be brave	For a thousand years
How can I (2) when I'm (3) to fall	I'll love you for a (16) more
But watching you stand alone	All along I believed I would find you
All of my doubt	Time has (17) your heart to me
Suddenly goes away somehow	I (18) loved you a thousand years
One (4) closer	I'll (19) you for a thousand more
I have (5) everyday waiting for you	One step closer
Darling don't be afraid, I have loved you	One step closer
For a thousand years	I have (20) everyday waiting for you
I'll love you for a (6) more	Darling don't be afraid, I have loved you
Time (7) still	For a thousand years
Beauty in all she is	I'll love you for a thousand more
I will be (8)	All along I believed I (21) find you
I will not let anything Take away	Time has (22) your heart to me
But standing in front of me	I have (23) you for a (24)
Every breath, (9) (10) has	years
(11) to (12)	I'll (25) you for a thousand more
One (13) closer
