Fill in the gaps

Call Me Maybe by Carly Ray Jepsen

I threw a wish in the well	Hey, I just met you and this is crazy
Don't ask me, I'll never tell	But here's my number, so (9) me, maybe
I looked to you as it fell	It's hard to look right at you baby
And now you're in my way	But here's my number, so call me, maybe
I (1) my soul for a wish	Hey, I (10) met you and this is crazy
Pennies and dimes for a kiss	But here's my number, so call me, maybe
I wasn't (2) for this	And all the (11) (12) try to
But now you're in my way	(13) me
Your (3) was holding	But here's my number, so call me, maybe
Ripped jeans, skin was showing	Before you came into my life
Hot not, wind was blowing	I (14) you so bad
Where you think you're going, baby?	I missed you so bad
Hey, I just met you and this is crazy	I missed you so, so bad
But here's my number, so call me, maybe	Before you came into my life
It's hard to look right at you baby	I (15) you so bad
But here's my number, so call me, maybe	And you should know that
Hey, I just met you and this is crazy	I missed you so, so bad
But here's my number, so call me, maybe	It's hard to (16) right at you baby
And all the other boys try to chase me	But here's my number,so (17) me, maybe
But here's my number, so call me, maybe	Hey, I (18) met you and this is crazy,
You took your (4) with the call	But here's my number, so (19) me, maybe
I (5) no (6) with the fall	And all the other (20) try to chase me
You gave me nothing at all	But here's my number, so call me, maybe
But still, you're in my way	Before you came into my life
I beg, and borrow and steal	I (21) you so bad
Have (7) and it's real	I (22) you so bad
I didn't know I would (8) it	I (23) you so, so bad
But it is in my way	Before you came into my life
Your stare was holding	I missed you so bad
Ripped jeans, skin was showing	And you (24) (25) that
Hot not, wind was blowing	So call me, maybe
Where you think you're going, baby
