## Radioactive by Marina And The Diamonds

Lying on a take beach	I'm turning radioactive
You'll never get a tan	My blood is radioactive
Baby I'm gonna leave you drowning until you reach for my	My heart is nuclear
hand	Love is all (3) I feel
In the night your heart is full and by the morning empty	Ready to be let down
But baby I'm the one who left you, you're not the one who left	Now I'm heading for a meltdown
me	[Bridge]
[Chorus]	Tonight I (4) like neon gold
When you're around me, I'm radioactive	I (5) one look at you and I (6) cold
My (1) is burning, radioactive	And I grow cold
I'm turning radioactive	And I grow cold
My blood is radioactive	[Chorus]
My heart is nuclear	When you're (7) me, I'm radioactive
Love is all that I feel	My blood is burning, radioactive
I'm turning radioactive	I'm turning radioactive
My blood is radioactive	My (8) is radioactive
Waiting for the night fall, for my heart to light up	My heart is nuclear
Oh baby I want you to die for, for you to die for my love	Love is all that I feel
In the night your heart is full and by the morning empty	Ready to be let down
But baby I'm the one who left you, you're not the one who left	Now I'm heading for a meltdown
me	
[Chorus]	
When you're (2) me, I'm radioactive	
My blood is burning, radioactive
