

My blood is burning, radioactive

Fill in the gaps

Radioactive by Marina And The Diamonds

Lying on a fake beach	I'm (11) radioactive
You'll never get a tan	My blood is radioactive
Baby I'm gonna leave you drowning (1) you	My heart is nuclear
reach for my hand	Love is all (12) I feel
In the night your heart is full and by the morning empty	Ready to be let down
But baby I'm the one who (2) you, you're not the	Now (13) heading for a meltdown
one who (3) me	[Bridge]
[Chorus]	Tonight I feel (14) neon gold
When you're around me, (4) radioactive	I (15) one (16) at you and
My (5) is burning, radioactive	(17) cold
I'm turning radioactive	And I grow cold
My blood is radioactive	And I (18) cold
My (6) is nuclear	[Chorus]
Love is all that I feel	When you're (19) me, (20)
I'm turning radioactive	radioactive
My blood is radioactive	My (21) is burning, radioactive
Waiting for the (7) fall, for my heart to light up	I'm turning radioactive
Oh baby I want you to die for, for you to die for my love	My blood is radioactive
In the (8) your heart is full and by the	My heart is nuclear
(9) empty	Love is all that I feel
But (10) I'm the one who left you, you're not the	Ready to be let down
one who left me	Now I'm heading for a (22)
[Chorus]	
When you're around me, I'm radioactive
