

Fill in the gaps

Evil by Interpol

Rosemary, (1)_____ restores you in life
You're coming (2)_____ me
Through the aging, the fearing, the strife
It's the smiling on the package
It's the (3)_____ in the sand
It's the thought that moves you upwards
Embracing me with two hands
Right will take you places
Yeah (4)_____ to the beach
When your friends they do come crying
Tell them now your pleasure's set (5)_____ (6)_____
release
Hey wait
Great smile
Sensitive to fate, not denial
But hey, who's on trial?
It took a life span with no (7)_____ mate
The long way back
Sandy, why can't we look the (8)_____ way?
He speaks about travel
Yeah we think about the land
We smart like all peoples
Feeling real tan
I (9)_____ take you places
Do you need a new man?
Wipe the pollen from the faces
Make (10)_____ to a dream (11)_____
you wait in the van
Hey wait
Great smile
Sensitive to fate, not denial
But hey, who's on trial?

It took a life span with no (12)_____ mate
To find the long way back
Sandy, why can't we look the other way?
You're weightless, you are exotic
You need (13)_____ for (14)_____ to
care
Sandy, why can't we look the (15)_____ way?
Leave some (16)_____ (17)_____ the belly
Lay some (18)_____ inside my hand
It's a sentimental jury
And the makings of a (19)_____ brand
You've come to (20)_____ me lightly
Yeah you (21)_____ to (22)_____ me tight
Is this motion ever lasting
Or (23)_____ (24)_____ pass through the
night?
Rosemary, heaven restores you in life
I (25)_____ a life span with no cell mate
The (26)_____ way back
Sandy, why can't we look the other way?
You're weightless, semi-erotic
You need someone to take you there
Sandy, why can't we look the other way?
Why can't we just play the other game?
Why can't we just look the other way?
