## Fill in the gaps

I was in the winter of my life- and the men I met along the road were my only summer.

At night I fell sleep with vision of myself dancing and laughing

and crying with them.
Three year down the line of being on an endless world tour
and my memories of them were the only things that sustained
me,
and my only real happy times. I was a singer, not very popular
one, who once has dreams of becoming a beautiful poet-
but upon an unfortunate series of events saw those dreams
dashed and divided like million stars in the night sky that
wished on over and over again-
sparkling and broken.
But I really didn't mind because I knew that it takes getting
everything you ever wanted and then losing it to know
(1) true freedom is.
When the people I used to (2) found out what I had
been doing, how I had been living- they asked me why.
But there's no use in talking to people who have a home, they
have no idea what its like to seek safety in other people,
for home to be wherever you lied you head. I was always an
unusual girl, my mother told me that I had a chameleon soul.
No moral compass pointing me due north, no fixed
personality. Just an inner indecisiveness that was as wide as
wavering as the ocean.
And if I said that I did't plan for it to turn out this way I'd be
lying- because I was born to be the other woman.
I belonged to no one- who belonged to everyone, who had
nothing-
who wanted everything with a (3) for every
(4) and an obsession for freedom
that terrified me to the point (5) I couldn't even talk
about-
and pushed me to a nomadic point of madness (6)
both dazzles and dizzied me.
I've been out on that open road
You can be my full time, daddy
White and gold
Singing blues has been getting old
You can be my full time, baby
Hot or cold
Don't break me down
I've been travellin' too long
I've been trying too hard
With one (7) song
I hear the (8) on the summer breeze,
I drive fast

Been tryin' hard not to get into trouble, but I

I've got a war in my mind

So, I just ride

Just ride, I just ride, I just ride

Dying young and playing hard

That's the way my father made his life an art

## Fill in the gaps

Drink all day and we talk 'til dark That's the way the road doves do it, ride 'til it's dark Don't leave me now Don't say good bye Don't turn around Leave me high and dry I hear the birds on the summer breeze, I drive fast I am alone in the night Been tryin' hard not to get in trouble, but I Adictivoz.com Adictivoz.com I've got a war in my mind I just ride Just ride, I just ride, I just ride I'm tired of feeling like I'm f-ck-n crazy I'm tired of driving 'till I see stars in my eyes I look up to hear myself saying, Baby, too much I strive, I just ride I hear the birds on the summer breeze, I drive fast I am alone in the night Been tryin' hard not to get in trouble, but I I've got a war in my mind I just ride Just ride, I just ride, I just ride... Every night I used to pray that I'd find my people- and finally I did- on the open road. We have nothing to lose, nothing to gain, nothing we desired any more except to make our lives into a work of art. LIVE FAST. DIE YOUNG. BE WILD. AND HAVE FUN. I believe in the country America used to be. I

\*I believe in the kindness of strangers. And when I'm at war with myself- I Ride. I Just Ride.\*

I believe in the freedom of the open road. And my motto is the

in the person I want to become,

Who are you? Are you in touch with all your darkest fantasies? Have you created a life for yourself where you're free to experience them? I Have.

I Am Fucking Crazy. But I Am Free.
