# Ride by Lana Del Rey

### Fill in the gaps

I was in the winter of my life- and the men I met along the road
were my only summer.
At night I fell sleep with vision of myself dancing and
(1) and crying with them.
Three year down the line of being on an (2)
world tour and my memories of them were the only things that
sustained me,
and my only real happy times. I was a singer, not very popular
one, who once has dreams of becoming a beautiful poet-
but (3) an unfortunate series of events saw those
dreams dashed and divided (4) million stars in the
night sky (5) I wished on over and over again-
sparkling and broken.
But I (6) didn't mind because I knew that it
takes getting everything you (7) wanted and then
(8) it to know what true (9)
is.
When the people I used to know found out (10) I
had been doing, how I had been living- they asked me why.
But there's no use in talking to people who (11) a
home, they have no idea what its like to seek safety in other
people,
for (12) to be wherever you lied you head. I was
(13) an (14) girl, my mother
told me that I had a chameleon soul.
No (15) compass pointing me due north, no
fixed personality. Just an inner
(16) that was as wide as
wavering as the ocean.
And if I said that I did't plan for it to turn out (17)
way I'd be lying- because I was born to be the other woman.
I belonged to no one- who belonged to everyone, who had
nothing-
who wanted (18) with a fire for
every experience and an obsession for freedom that terrified
me to the point (19) I couldn't even talk about-
and pushed me to a nomadic point of madness that both
dazzles and dizzied me.
I've been out on that open road
You can be my full time, daddy
White and gold
Singing blues has been getting old
You can be my full time, baby
Hot or cold
Don't break me down
I've been travellin' too long
I've been (20) too hard

I near the birds on the summer breeze,
I (21) fast
I am alone in the night
Been tryin' hard not to get into trouble, but I
I've got a war in my mind
So, I just ride
Just ride, I just ride, I just ride
Dying young and playing hard
That's the way my (22) made his life an art
