

Fill in the gaps

I've been alone with you inside my mind
And in my dreams I've kissed (1) lips, a thousand
times
I sometimes see you pass outside my door
Hello, is it me you're looking for?
I can see it in your eyes
I can see it in your smile
You're all I've ever wanted
My arms are open wide
Cos you know just what to say
And you know just what to do
And I want to tell you so much, I love you
I long to see the sunlight in your hair
And (2) you time and time again, how much I care
Sometimes I feel my heart will overflow
Hello? I've just got to let you know
Cos I wonder where you are
And I wonder (3) you do
