

Fill in the gaps

Just Give Me A Reason by P!nk

Right from the start

You (1)_____ a thief you stole my heart

And I your willing victim

I let you see the parts of me

That weren't all that pretty

And with every touch you fixed them

Now you've been talking in your sleep

Things you (2)_____ say to me

Tell me that you've had enough

Of our love, our love

Just give me a reason

Just a little bit's enough

Just a second we're not broken just bent

And we can learn to love again

It's in the stars

It's been written in the scars on our hearts

We're not broken (3)_____ bent

And we can learn to (4)_____ again

Im sorry I don't understand where all of this is

(5)_____ from

I thought that we were fine

Oh we had everything

Your (6)_____ is running wild again

My dear we still have everything

And its all in your mind

Yeah but this is happening

You've been having real bad dreams

Oh oh

You used to lie so close to me

Oh oh

There's nothing more than empty sheets

Between our love, our love,

Oh our love, our love...

Just give me a reason

Just a (7)_____ bit's enough

Just a second we're not (8)_____ (9)_____

bent

And we can learn to love again

It's in the stars

Adictivoz.com Adictivoz.com

It's been written in the scars on our hearts

You're not broken just bent

And we can learn to love again

I never stopped

You're still written in the (10)_____ on my heart

Your not broken just bent and we can learn to love again

Oh tears ducts and rust

I'll fix it for us

We're collecting dust but our love's enough

You're holding it in

You're pouring a drink

No nothing is as bad as it seems

We'll come clean

Just give me a reason

Just a little bit's enough

Just a second we're not broken just bent

And we can learn to love again

It's in the stars

It's been written in the scars on our hearts

We're not broken just bent

And we can learn to love again. (x2)

And we can learn to love again

And we can learn to love again

Oh, that we're not broken, just bent

And we can learn to love again...

Fill in the gaps

Answer
