Right from the start	Just a little bit's enough
You were a thief you stole my heart	Just a second we're not broken just bent
And I your (1) victim	And we can learn to love again
I let you see the (2) of me	It's in the stars
That weren't all that pretty	Adictivoz.com Adictivoz.com
And with every touch you fixed them	It's (7) written in the scars on our hearts
Now you've been talking in your sleep	You're not broken just bent
Things you never say to me	And we can learn to love again
Tell me that you've had enough	I never stopped
Of our love, our love	You're still written in the scars on my heart
Just give me a reason	Your not broken just bent and we can learn to love again
Just a little bit's enough	Oh tears ducts and rust
Just a second we're not broken just bent	I'll fix it for us
And we can learn to love again	We're collecting dust but our love's enough
It's in the stars	You're holding it in
It's been written in the scars on our hearts	You're pouring a drink
We're not (3) just bent	No nothing is as bad as it seems
And we can learn to love again	We'll come clean
Im sorry I don't understand (4) all of this is	Just give me a reason
coming from	Just a little bit's enough

Your head is running wild again	And we can learn to love again
My dear we still have everything	It's in the stars
And its all in your mind	It's been written in the scars on our hearts
Yeah but this is happening	We're not broken just bent
You've been having (6) bad dreams	And we can learn to love again. (x2)
