

Fill in the gaps

Did you see the sky, I (1) it (2) that
we've been lost
Maybe one less time is all we need
I can't really help it if my tongue's all tied in knots
Jumping off a bridge, it's just the farthest that I've
(3) been
Anywhere you go, I'll follow you down
Anyplace, but (4) I know by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far
I know we're headed somewhere, I can see how far we've
come
But still, I can't remember anything
Let's not do the wrong (5) and I swear it might
be fun
It's a long way down when all the knots we've tied have come
undone
Anywhere you go, I'll follow you down
Anyplace, but those I know by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far
Whoooo!

How you gonna ever find your place
Runnin' in an artificial pace
Are they gonna find us lying face down in the sand
So (6) the hell, have we already been
(7) damned?
Anywhere you go, I'll follow you down
Anyplace, but those I (8) by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far
Anywhere you go, I'll follow you down
Anyplace, but those I know by heart
Anywhere you go, I'll follow you down
I'll follow you down, but not that far (follow you down)
I'll follow you down, but not that far (follow you down)
I'll (9) you down, but not (10) fa
(follow you down)
I'll follow you down, but not that far (follow you down)
