SUB inglés

But here's my number,

Fill in the gaps

Call Me Maybe by Carly Rae Jepsen

I threw a wish in the well,	So call me, maybe!
Don't ask me, I'll never tell	It's hard to look right
I looked to you as it fell,	At you baby,
And now you're in my way	But here's my number,
I'd trade my soul for a wish,	So call me, maybe!
Pennies and dimes for a kiss	Hey, I just met you,
I wasn't looking for this,	And (5) is crazy,
But now you're in my way	But here's my number,
Your stare was holdin',	So call me, maybe!
Ripped jeans, skin was showin'	And all the other boys,
Hot night, wind was blowin'	Try to chase me,
Where do you think you're going, baby?	But here's my number,
Hey, I just met you,	So call me, maybe!
And this is crazy,	Before you came into my life
But here's my number,	I missed you so bad
So call me, maybe!	I missed you so bad
It's hard to look right	I missed you so, so bad
At you baby,	Before you came into my life
But here's my number,	I missed you so bad
So call me, maybe!	And you (6) (7) that
Hey, I just met you,	I (8) you so, so bad (bad, bad)
And this is crazy,	It's hard to look right
But here's my number,	At you baby,
So call me, maybe!	But here's my number,
And all the other boys,	So call me, maybe!
Try to chase me,	Hey, I just met you,
But here's my number,	And this is crazy,
So call me, maybe!	But here's my number,
You took your time with the call,	So call me, maybe!
I (1) no time with the fall	And all the other boys,
You (2) me nothing at all,	Try to chase me,
But still, you're in my way	But here's my number,
I beg, and borrow and steal	So call me, maybe!
Have foresight and it's real	Before you (9) into my life
I didn't know I would feel it,	I missed you so bad
But it's in my way	I missed you so bad
Your (3) was holdin',	I missed you so, so bad
Ripped jeans, skin was showin'	
	Before you came into my life
Hot night, wind was blowin'	Before you came into my life I missed you so bad
Hot night, wind was blowin' Where you think you're going, baby?	
v ,	I missed you so bad

- 1. took
- 2. gave
- 3. stare
- 4. just
