

I know you make me feel alive

And every single second's a lifetime memory,

## Fill in the gaps

What if I (1) you (2) I think you're	I'll be holding on to each moment
perfect?	'Cause you (4) me
Beautiful sky in your eyes, it's so worth it.	Laugh a little louder
I know you make me feel alive.	Love a little harder.
What if I told you that I'm in forever?	And I feel alive when I'm with you
Nothing to hide, yeah, I'll go wherever you go.	Every time it's something new.
You make me feel alive.	Never knew (5) love could feel like
And I'll be hanging on every word you say to me.	Until I walked away the first time.
Hanging on a feeling that I get,	And I feel alive when I'm (6) you.
Cause you make me	Deep inside it's something true.
Laugh a little louder	You're the only reason I fight,
Love a little harder.	You're the best thing in my life.
And I feel alive when I'm with you	And I feel alive when I'm with you.
Every time it's something new.	When I'm with you
Never knew what love could feel like	And I feel alive when I'm with you
Until I walked away the first time.	Every time it's something new.
And I feel (3) when I'm with you.	Never knew what love could feel like
Deep inside it's something true.	Until I walked (7) the first time.
You're the only reason I fight,	And I feel alive (8) I'm with you.
You're the best thing in my life.	Deep inside it's something true.
What if I told you that I'd never hurt you?	You're the only reason I fight,
Always be there for you to hold on to.	You're the best (9) in my life.
