got my daddy's car	They gonna try to put you out
And his old guitar	I keep looking up in this world full of doubt
A suitcase full of broken hearts	I roll like I roll
Got my momma's smile	I roll (8) the hills under the California sun
And her baby blue eyes	Burn through the (9) like a devil on the run
ain't got much	I'll be flying high until the day that I die
But what I got's mine	No matter what they say

got an open road	'Cause I'd rather burn in hell
And a restless soul	Than to let it fade

Cause I roll like I roll	The Rolling Stones on the radio
roll like the hills under the (4) sun	And I roll (10) I roll
Burn through the (5) like a devil on the run	I roll through the hills of my old Kentucky home
'll be flying high until the day that I die	Back to the place where my heart belongs
No matter what (6) say	I'll be flying high until the day that I die
At the end of the day	No matter what they say
will (7) like I roll	At the end of the day
