

Fill in the gaps

If I could spend the rest of my life with my people, I would do it	But we grow up, at least that's what they say
over and over again	We can't do this when we pray, but I tell myself everyday that
Leave it up to them to fill up (1) steeple, leave it	none of that applies
up to us to fill up on our friends	If I could spend the rest of my life with my people, I would do it
If I could spend the rest of my life with my people, I would do it	over and over again
over and over again	Leave it up to them to fill up (7) steeple, leave it
I'm within my mind and I know there's no equal	up to us to fill up on our friends
When I'm fallin out yo they pull me back in	If I could spend the rest of my life with my people, I would do it
It was long ago and we were younger so	over and (8) again
And our lives we part wrote	I live in my mind and I know there's no equal
Feel it, feeling Yeah	When I'm fallin out yo they pull me back in
And I remember everyday, (2) it's too	All I really need, is all I have ever seen
much to take	Only thing works for me is to feel it, feeling
I (3) down, without no heartache	And when we turn to leave and others turn to be
And I mean it, and I mean it	It's always on my sleeve
If I could spend the rest of my life with my people, I would do it	And I mean it, and I mean it
over and over again	If I could spend the rest of my life with my people, I would do it
Leave it up to them to (4) up their steeple, leave it	over and over again
up to us to fill up on our friends	Leave it up to them to fill up their steeple, (9) it
If I could spend the rest of my life with my people, I would do it	up to us to fill up on our friends
over and over again	If I could spend the rest of my life with my people, I would do it
I'm live in my mind and I (5) there's no equal	over and over again
When I'm fallin out yo they pull me back in	I live in my mind and I know there's no equal
They say we've had fun but let this go	When I'm fallin out yo they pull me back in
Music don't go deep but no	
We think we could help this world if (6) we try	

- 1. their
- 2. sometimes
- 3. break
- 4. fill
- 5. know
- 6. only
- 7. their
- 8. over
- 9. leave
