If I could (1)	the rest of my life with my people, I	But we grow up, at least that's what they say
would do it over and over again		We can't do this when we pray, but I tell myself
Leave it up to them to fill up their steeple, (2) it		(13) that none of that applies
up to us to fill up on our friends		If I could (14) the rest of my life with my people, I
If I could spend the rest of my life with my people, I		would do it over and over again
(3) do it over and over again		Leave it up to (15) to fill up (16)
I'm within my mind and I know there's no equal		steeple, leave it up to us to fill up on our friends
When I'm fallin out yo they pull me back in		If I (17) spend the rest of my life (18)
It was long ago and we were younger so		my people, I would do it over and over again
And our lives we (4) wrote		I live in my mind and I know there's no equal
Feel it, feeling Yeah		When I'm fallin out yo they pull me (19) in
And I (5)	everyday,	All I really need, is all I have (20) seen
(6) it's too much to take		Only (21) works for me is to feel it, feeling
I break down, (7) no heartache		And when we turn to leave and others (22) to be
And I mean it, and I mean it		It's (23) on my sleeve
If I (8) (9) the rest of my life with		And I mean it, and I mean it
my people, I would do it (10) and over again		If I could spend the (24) of my life with my people, I
Leave it up to them to fill up their steeple, leave it up to us to		would do it (25) and over again
fill up on our friends		Leave it up to (26) to fill up their steeple, leave it up
If I could spend the rest of my life with my people, I would do it		to us to fill up on our friends
(11) and over again		If I could spend the (27) of my life with my people, I
I'm live in my mind and I know there's no equal		would do it over and over again
When I'm (12)	out yo they pull me back in	I live in my (28) and I know there's no equal
They say we've had fun but let this go		When I'm fallin out yo they pull me (29) in
Music don't go deep bu	t no	
We think we could help	this world if only we try
