I Could Be The One by Avicii

Fill in the gaps

Do you (1)	about me	(2)	you're all alone?
The things we used to do, we used to be			
I could be the one to make you feel that way			
I could be the one to set you free			
Do you think about me when the crowd is gone?			
It used to be so easy, you and me			
I could be the one to make you feel that way			
I could be the one to set you free			
I could be the one to make you feel that way			
I (3) be the one to set you free			
I could be the one to make you feel that way			
I could be the one to set you free			
When you need a way to beat the pressure down			
When you need to find a way to breathe			
I could be the one to make you feel (4) way			
I could be the one to	set you free		
If you never see me	when the (5)_	is	gone
It used to be so eas	y, can't you see) ?	
I could be the one to	make you (6)	(7) way
I could be the one to set you free			
I could be the one to make you feel that way			
I could be the one to set you free			
I (8) b	e the one to ma	ake you feel th	at way
I could be the one to	set you free		
I could be the one to make you feel that way			
I could be the one to set you free			
I could be the one to make you feel that way			
I could be the one to set you free
