## I Could Be The One by Avicii

## Fill in the gaps

Do you think (1) me when you're all alone?
The things we used to do, we used to be
I could be the one to make you feel that way
I could be the one to set you free
Do you think about me when the crowd is gone?
It used to be so easy, you and me
I (2) be the one to make you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I (3) be the one to set you free
I (4) be the one to make you feel that way
I could be the one to set you free
When you need a way to beat the (5) down
When you need to find a way to breathe
I could be the one to make you feel that way
I could be the one to set you free
If you never see me when the crowd is gone
It used to be so easy, can't you see?
I could be the one to (6) you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
I could be the one to (7) you feel that way
I (8) be the one to set you free
I could be the one to (9) you feel that way
I could be the one to set you (10)
