

You

Fill in the gaps

| Walking with my head down | (looking for myself) |
|-----------------------------------|---|
| Counting every step | Youuuu |
| Hoping that the (1) one | (1, 1 1, 1 1 1) |
| Brings me closer to the man I was | Youuuu |
| Cause I was way better | (looking for myself) |
| Maybe its because | And somehow I ran right into you, girl |
| We were together | I was on a journey, |
| [Refrain] | Tryin to figure out who I really was |
| I (2) I'm (3) for myself | Then I realized that, |
| And I (4) can't find me | When you're not here, |
| That's why I'm looking for myself | Half of me is gone |
| Who am I? | So in order for me to find me, |
| Someone remind me | I had to find you |
| I'm looking for myself | You know? |
| All my (5) I'm searching | (youuuu) |
| I said I'm looking for myself | And I got a funny feeling that |
| And somehow I ran right into | You won't know who you are |
| You | And unless you find me |
| (looking for myself) | It's like You look in the mirror |
| Youuuu | And you see the person that you truely love |
| (I, I I, I I I) | I said I'm looking for myself |
| Youuuu | And I still can't find me |
| (looking for myself) | That's why I'm (7) for myself |
| And somehow I ran right into you | Who am I? |
| Escaping on the tightrope | Someone remind me |
| Trying not to fall | I'm looking for myself |
| If I don't keep my balance | All my life I'm searching |
| I know, I will lose it all | I said I'm looking for myself |
| I should have known better | And somehow I ran right into |
| And it's all my fault | You |
| That we're not together | (looking for myself) |
| I said I'm looking for myself | You |
| And I still can't find me | (1, 11, 111) |
| That's why I'm looking for myself | Youuuu |
| Who am I? | (looking for myself) |
| Someone remind me | And somehow I ran right (8) you |
| I'm looking for myself | Heey, looking for myself |
| All my (6) I'm searching | (11, 11, 111) |
| I said I'm looking for myself | And somehow I ran right into youu |
| And somehow I ran right into | |

- 1. next
- 2. said
