

# Fill in the gaps

| Blurred Lines by Rob                     |
|--|
| [Intro/Outro: Pharrell & Robin Thicke]   |
| Everybody get up, WOO!                   |
| Hey, hey, hey                            |
| Hey, hey, hey                            |
| Hey, hey, hey                            |
| [Verse 1: Robin Thicke]                  |
| If you can't hear what I'm trying to say |
| If you can't read from the same page     |
| Maybe I'm going deaf                     |
| Maybe I'm going blind                    |
| Maybe I'm out of my mind                 |
| [Bridge: Robin Thicke]                   |
| Ok, now he was close                     |
| Tried to domesticate you                 |
| But you're an animal                     |
| Baby, it's in your nature                |
| Just let me liberate you                 |
| You don't need no papers                 |
| That man is not your maker               |
| And that's why I'm gon' take a           |
| [Hook: Robin Thicke]                     |
| Good girl                                |
| I know you want it                       |
| I know you want it                       |
| I know you want it                       |
| You're a good girl                       |
| Can't let it get past me                 |
| You're far from plastic                  |
| Talk about getting blasted               |

| I (2) you want it                   |
|-------------------------------------|
| I know you want it                  |
| I know you want it                  |
| But you're a good girl              |
| The way you grab me                 |
| Must wanna get nasty                |
| Go ahead, get at me                 |
| [Verse 2: Robin Thicke]             |
| What do they make dreams for        |
| When you got them jeans on          |
| What do we need steam for           |
| You the hottest bitch in this place |
| I feel so lucky, you wanna hug me   |
| What (3) with hug me                |
| Hey!                                |
| [Bridge: Robin Thicke]              |
| Ok, now he was close                |
| Tried to domesticate you            |
| But you're an animal                |
| Baby, it's in your nature           |
| Just let me liberate you            |
| You don't need no papers            |
| That man is not your maker          |
| And that's why I'm gon' take a      |
| [Hook: (4) Thicke]                  |
| [Verse 3: T.I.]                     |
| Hustle Gang Homie                   |

One thing I ask of you

Lemme be the one you back that ass up to

### Fill in the gaps

| Had a bitch, but she ain't bad as you                     |
|---|
| So, hit me up (6) you pass through                        |
| I'll (7) you something big enough to tear your ass in two |
| Swag on 'em even when you dress casual                    |
| I mean, it's almost unbearable                            |
| In a hundred years not dare would I                       |
| Pull a Pharcyde, let you pass me by                       |
| Nothin' like your last guy, he too (8) for you            |
| He don't smack (9) ass and pull your hair for you         |
| So I'm just watching and waitin'                          |
| For you to salute the true big pimpin'                    |
| Not many (10) can refuse this pimping                     |
| I'm a nice guy, but don't get confused, you gettin it     |
| [Breakdown: Robin Thicke]                                 |
| Shake your rump   |
| Get down, get up-a  |
| Do it like it hurt, like it hurt                          |
| What you don't like work                                  |
| Hey!  |
| [Verse 4: Robin Thicke]                                   |
| Baby, can you breathe                                     |
| I got this from Jamaica                                   |
| It always works for me                                    |
| Dakota to Decatur   |
| No more pretending  |
| Cause now you're winning                                  |
| Here's our beginning                                      |
| I always wanted a   |

[Hook: Robin Thicke]

Everybody get up

Everybody get up

Everybody get up

Hey, Hey, Hey

Hey, Hey, Hey

Hey, Hey, Hey
