

Fill in the gaps

When I look into your eyes
It's like watching the night sky
Or a beautiful sunrise
Well, there's so much they hold
And just like them old stars
I see that you've come so far
To be right where you are
How old is your soul?
Well, I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up
And when you're (1) your space
To do some navigating
I'll be here patiently waiting
To see what you find
'Cause even the stars they burn
Some even fall to the earth
We've got a lot to learn
God knows we're worth it
No, I won't (2) up
I don't wanna be someone who walks away so easily

rm (3) to stay and m	ake the diff	erence that i can	
make			
Our (4)	(5)	do a lot to	
(6) us how to use			
The tools and gifts we got, yeah, we got a lot at stake			
And in the end, you're still my friend at least we did intend			
For us to work we didn't break, w	e didn't burn	l	
We had to learn how to bend with	out the worl	d caving in	
I had to (7) (8)	l've	got, and what I'm	
not, and who I am			
I won't give up on us			
Even if the skies get rough			
I'm giving you all my love			
I'm still looking up, still looking up			
Well, I won't give up on us (no I'm	not (9)	up)	
God knows I'm tough enough (I a	m tough, I a	m loved)	
We've got a lot to (10)	(we	re alive, we are	
loved)			
God knows we're worth it (and we	e're worth it)		
I won't give up on us			
Even if the skies get rough			
I'm giving you all my love			
I'm still looking up
