

## Fill in the gaps

Well you only need the light when it's burning low	But to never to (13) and never to keep
Only miss the sun when it's starts to snow	Because you loved her to much
Only know your lover when you let her go	And you dive too deep
Only know you've been high when you're feeling low	Because you only need the light (14) it's burning
Only hate the road when you're missin' (1)	low
Only know your lover (2) you've let her go	Only miss the sun when it's (15) to
And you let her go	(16)
Staring at the bottom of your glass	Only (17) your lover (18) you've let her
Hoping one day you will make a (3) last	go
The dreams come slow and goes so fast	Only (19) you've (20) high when you're
You see her when you (4) your eyes	feeling low
Maybe one day you (5) understand why	Only hate the road when you're missin' home
Everything you touch all it dies	Only know your lover (21) you've let her go
Because you (6) (7) the light when	And you let her go
(8) burning low	O0000 00000 000000
Only miss the sun when it's (9) to snow	And you let her go
Only know (10) lover when you've let her go	O000000 00000 00000
Only know you've been high when you're	And you let her go
(11) low	Because you only (22) the light when it's
Only hate the road when you're missin' home	(23) low
Only (12) your lover when you've let her go	Only miss the sun when (24) starts to snow
Staring at the ceiling in the dark	Only know your (25) when you've let her go
Same ol' empty feeling in your heart	Only know you've been high when you're feeling low
Love comes slow and it goes so fast	Only (26) the road when you're missin' home
Well you see her when you fall asleep	Only know your lover when you've let her go
	And you let her go
