Step right through the door	And make it in a search
Leave your tranquilizers at home	Translucently too (6)
You don't need them (1)	And I hold you in my arms
All the drama queens are gone	I keep you by my side
And the devil got this made	And we sleep the devil's sleep
He backed up and (2) this town	Just to keep him satisfied
His master plan delayed	And if you stay a while
And if you stay a while	I'll penetrate your soul
I'll (3) your soul	I'll bleed into your (7)
I'll bleed into your dreams	You want to (8) control
You want to lose control	I weep into your eyes
I weep into your eyes	I make your vision see
I make your vision see	I'll open endless skies
I'll open endless skies	And right your broken wings
And right your (4) wings	Welcome to my world
Welcome to my world	Welcome to my world
Welcome to my world	Welcome to my world
Welcome to my world
