

## Fill in the gaps

Give me a second I	We are young
I need to get my story straight	So let's the set the world on fire
My friends are in the bathroom	we can burn brighter
getting higher (1) the empire state	than the sun
my lover she is waiting for me	Tonight
just across the bar	We are young
My seat's been (2) by some sunglasses	so let's set the (14) on fire
asking 'bout a cigar	we can (15) brighter
and I (3) I gave it to you months ago	than the sun
I (4) you're trying to forget	Carry me (16) tonight
but between the (5) and subtle things	Just carry me (17) tonight
the holes in my apologies	Carry me home tonight
you know I'm trying hard to take it back	Just carry me (18) tonight
so if by the time the bar closes	The moon is on my side
and you feel (6) (7) down	I (19) no reason to run
I'll (8) you home	So will (20) come and carry me home
Tonight	tonight
We are young	The angels (21) arrived
So let's set the (9) on fire	but I can (22) the choir
We can (10) brighter	so will (23) come and carry me home
than the sun	Tonight
Tonight	We are young
we are young	So let's set the world on fire
so let's set the world on fire	we can burn brighter
we can burn brighter	than the sun
than the sun	Tonight
Now I know that I'm not	We are young
all (11) you got	so let's set the world on fire
I guess that I	we can burn brighter
I (12) thought maybe we (13) find a	than the sun
ways to fall apart	So if by the time the bar closes
But our friends are back	and you (24) (25) falling down
So let's raise a toast	I'll carry you (26) tonight
Cause I found someone to carry me home	
Tonight
