

Fill in the gaps

You're kinda cute	This can't be
There's something mysterious	The first time you're hearing this
About you	"I (7) you"
You swag it out	Why so cool?
I hear you have serious	Oh
Tattoos	My heart is on my shirt now
Why you so cool?	Oh
Oh	I think that we could work out
My heart is on my shirt now	Oh
Oh	Somebody let the flirt out
I think that we could work out	Here goes nothing!
Oh	I don't (8) say that I
Somebody let the flirt out	have fallen in love
Here goes nothing!	Just totally infatuated
I don't wanna say that I	I know it's kinda fast
have (1) in love	But I (9) you are the one
Just totally infatuated	I'm totally infatuated
I (2) it's kinda fast	We can take it slow
But I think you are the one	We don't gotta rush
I'm totally infatuated	Let's give it a go
We can take it slow	And see where we end up
We don't gotta rush	I don't wanna say that I
Let's (3) it a go	have fallen in love
And see where we end up	Just totally infatuated
I don't wanna say that I	There's nothing left for me to say
have (4) in love	You know it's never or now
Just (5) infatuated	Come and show me you feel the same
You (6) me up	You know it's (10) or now
I'm fricken delirious
