Don't You Remember by Adele

Fill in the gaps

When (1) I see you again?
You left with no goodbye, not a single word was said,
No (2) kiss to seal any seams,
I had no idea of the state we were in,
I know I have a fickle heart and bitterness,
And a wandering eye, and a heaviness in my head,
But don't you remember?
Don't you remember?
The reason you loved me before,
Baby, please (3) me (4) more,
When was the last time you thought of me?
Or have you completely erased me from your memory?
I often think about where I went wrong,
The more I do, the less I know,
The more I do, the less I know, But I know I have a (5) (6) and bitterness,
But I know I have a (5) and bitterness,
But I know I have a (5) and bitterness, And a (7) eye, and a heaviness in my head,
But I know I have a (5) (6) and bitterness, And a (7) eye, and a heaviness in my head, But don't you remember?
But I know I have a (5) (6) and bitterness, And a (7) eye, and a heaviness in my head, But don't you remember? Don't you remember?
But I know I have a (5) (6) and bitterness, And a (7) eye, and a heaviness in my head, But don't you remember? Don't you remember? The (8) you loved me before,
But I know I have a (5) (6) and bitterness, And a (7) eye, and a heaviness in my head, But don't you remember? Don't you remember? The (8) you loved me before, Baby, please remember me once more,
But I know I have a (5) (6) and bitterness, And a (7) eye, and a heaviness in my head, But don't you remember? Don't you remember? The (8) you loved me before, Baby, please remember me once more, Gave you the (9) so you could breathe,
But I know I have a (5) (6) and bitterness, And a (7) eye, and a heaviness in my head, But don't you remember? Don't you remember? The (8) you loved me before, Baby, please remember me once more, Gave you the (9) so you could breathe, I kept my distance so you would be free,
But I know I have a (5) (6) and bitterness, And a (7) eye, and a heaviness in my head, But don't you remember? Don't you remember? The (8) you loved me before, Baby, please remember me once more, Gave you the (9) so you could breathe, I kept my distance so you would be free, And (10) that you find the missing piece,
But I know I have a (5) (6) and bitterness, And a (7) eye, and a heaviness in my head, But don't you remember? Don't you remember? The (8) you loved me before, Baby, please remember me once more, Gave you the (9) so you could breathe, I kept my distance so you would be free, And (10) that you find the missing piece, To bring you back to me,
