Listen To Your Heart by Roxette

I know there's something in the wake of your smile
I get a notion from the look in your eyes, yeah
You've built a love but that love falls apart
Your little piece of Heaven turns too dark
Listen to your heart (1)_____ he's calling for you
Listen to your heart there's nothing (2)_____ you can do
I don't know where you're going and I don't (3)_____ why
But listen to your heart before you tell him goodbye
Sometimes you wonder if (4)_____ (5)_____ is
worthwhile
The precious (6)_____ are all lost in the tide,
yeah
They're swept away and nothing is what is seems
The feeling of belonging to your dreams
Listen to your heart when he's calling for you
Listen to your heart there's nothing else you can do
I don't know where you're (7)_____ and I don't know
why
But listen to your heart before you tell him goodbye
And there are voices that want to be heard
So much to mention but you can't find the words
The scent of magic, the beauty that's been

When love was wilder (8)_____ the wind
Listen to your heart when he's calling for you
Listen to your (9)_____ there's nothing else you can
do
I don't know (10)_____ you're going and I don't know
why
But listen to your heart before
Listen to your heart when he's calling for you
Listen to your heart there's nothing else you can do
I don't know where you're going and I don't know why
But listen to your heart before you tell him goodbye
Listen to your heart
Listen to your heart
Listen to your heart
