

Fill in the gaps

I know there's something in the wake of your smile
I get a notion from the look in your eyes, yeah
You've built a (1) but that love falls apart
Your little piece of Heaven turns too dark
Listen to (2) (3) when he's calling for
you
Listen to your heart there's nothing else you can do
I don't know where you're going and I don't know why
But listen to (4) heart before you tell him goodbye
Sometimes you wonder if this fight is worthwhile
The precious moments are all lost in the tide, yeah
They're swept away and (5) is what is
seems
The feeling of belonging to your dreams
Listen to your heart when he's calling for you
Listen to your heart there's nothing else you can do
I don't know where you're going and I don't know why
But listen to your heart before you tell him goodbye
And there are (6) that want to be heard
So much to mention but you can't find the words
The scent of magic, the beauty that's been

When love was wilder than the wind
Listen to your heart when he's calling for you
Listen to your heart there's nothing else you can do
I don't know where you're going and I don't know why
But (7) to your heart before
Listen to your (8) when he's calling for you
Listen to your heart there's nothing else you can do
I don't (9) where you're going and I don't know why
But listen to your heart before you tell him goodbye
Listen to your heart
Listen to your heart
Listen to your heart
