And I'm open to your suggestions

### Fill in the gaps

### Way Back Into Love by Hugh Grant And Haley Bennett

i ve been living (1) a snadow overnead	All I want to do is find a way back into love
I've (2) sleeping with a cloud above my bed	I can't make it through without a way back into love
I've been lonely for so long	And if I open my heart again
Trapped in the past, I just can't seem to move on	I guess I'm hoping you'll be there for me in the end
I've been (3) all my hopes and dreams away	oh, oh, oh, oh
Just in case I ever need em again someday	There are moments (7) I don't know if it's real
I've (4) setting aside time	Or if anybody feels the way I feel
To clear a little space in the corners of my mind	I need inspiration
All I want to do is find a way back into love	Not just another negotiation
I can't (5) it through without a way back into love	All I want to do is find a way back (8) love
Oh oh oh	I can't make it through without a way back into love
I've been watching but the (6) refuse to shine	And if I open my heart to you
I've been searching but I just don't see the signs	I'm hoping you'll show me what to do
I know that it's out there	And if you (9) me to (10) again
There's got to be something for my soul somewhere	You know that I'll be there for you in the end
I've been looking for someone to shed some light	oh, oh, oh, oh
Not somebody just to get me through the night	
I could use some direction
